

**REMARKS**

In response to the Office Action of May 4, 2007, applicant amends claim 8 to include all of the features of claims 1, 6, and 7. The Examiner has previously indicated that claim 8 would be allowable if rewritten in independent form to include all of the limitations of the base claim and the intervening claims, so it is respectfully submitted that claim 8 is now in condition for allowance.

Additionally, claims 1 and 3-7 have been canceled without prejudice to expedite allowance of amended claim 8 and the only other remaining claim 13, which the Examiner has previously indicated as being allowable. Accordingly, it is believed that the present application is now in allowable form.

Respectfully submitted,
